

# How To Trial or Purchase a GSS Training Online Course

## Contact Our Team

The easiest way to Trial or Purchase a GSS Training Online course is to call or email our friendly admin team on 0161 926 9510 or [enquiries@gsstraining.co.uk](mailto:enquiries@gsstraining.co.uk).

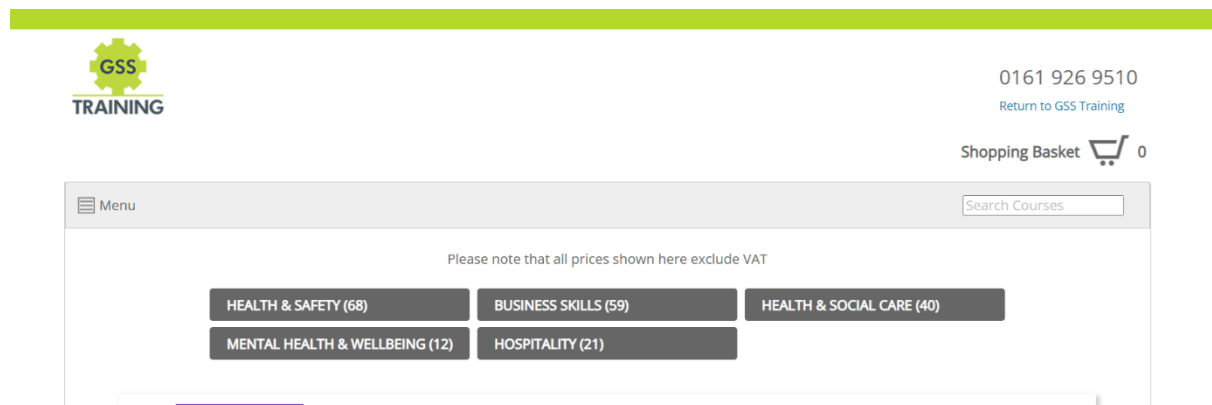

We'll need to know whether you would like a personal account with a single login for just yourself to purchase or trial the training or if you'd like a business account. A business account would be better for you if you'd like one administrator login so that you can assign purchased or trial courses to your employees/colleagues from an administration panel and monitor their course progress.

We can set everything up for you and send you a quick guide on how you or your colleagues can sign in and begin the online course.

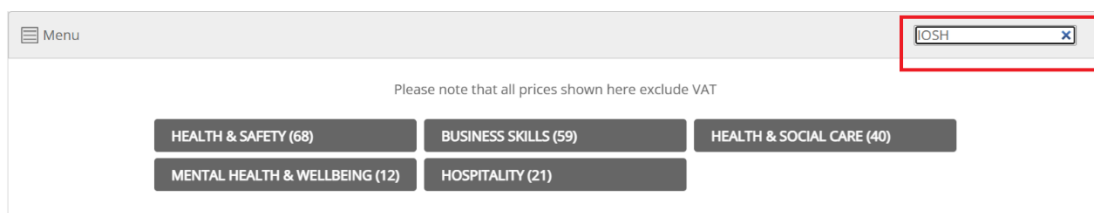

## Try It Yourself

If you are a business, we recommend contacting our team so that they can set up your administrator login and employee accounts.
