

## **IOSH Managing Safely Certificate (3 Day Course)**

(Institute of Occupational Safety and Health)

This IOSH course is a basic risk management health & safety certificate which provides managers an understanding of the practical actions needed for the health and safety of their teams. It is aimed specifically at those who are required to manage safely and efficiently in accordance with their company's policies and procedures. Managing Safely has been developed specifically for the needs of the non-health and safety expert.

### **Training Objectives**

To ensure that people employed in a managerial position appreciate their legal safety responsibilities and how to fulfil these requirements. The course will enable them to review their company's departmental systems and procedures and make changes if appropriate so that the department can work more safely.

### **Who Should Attend?**

This course is aimed at staff in a line management, supervisory or team leader role in any size of organisation across any sector

On completion of the course, they will be able to:

- Understand their responsibilities for safety in the workplace.
- Recognise common workplace hazards and implement appropriate control measures.
- Estimate, evaluate and reduce risk by applying a hierarchy of risk control.
- Undertake structured risk assessments and accident investigations.
- Understand the requirements of HSE legislation.
- Recognise different ways to measure and improve health and safety performance.

### **IOSH Certificate**

At the end of the course delegates will undertake a short multiple choice assessment. The delegates will also be required to complete a project. This project, which is a mandatory requirement of the course, is a workplace risk assessment based on the delegates' own workplace. Delegates must complete their project and return it to the tutor within 10 days of the course completion date.

The course tutor will mark all papers. IOSH also request a sample of papers to review.

Delegates who have been successful will be provided with an IOSH certificate. GSS will apply for the certificates from IOSH. These are normally processed within 6 weeks from the date that they are received by IOSH.

The price of the course is £412 + VAT per person. This includes all workbooks/certificates.
